

Before entering the clinic you will have your temperature taken and then asked the following:

1. Are you feeling at all unwell today (any general cold, flu symptoms)?

2. In the past 48 hours have you had, or are you currently experiencing either:
 - a fever (100.8 degrees F or higher), fever-like symptoms (chills, sweats)
 - OR**
 - a new or worsening cough

OR

Two or more of the following symptoms (new or worsening):

- Sore throat
- Runny nose/nasal congestion
 - Headache
- Shortness of breath

3. Is anyone in your household COVID-positive?

If you have answered “yes” to any of these questions, we would ask that you arrange to reschedule your appointment. Thank you for your cooperation as we continue to keep our team, and patients healthy and safe!
